

## Private Party Room Hire Charges

Our Dining Room can be booked for Private parties. This room can accommodate up to 32 people in privacy (though other customers will be in the Bar and opposite Dining Area).

For smaller groups up to 16 guests we can offer Semi Private dining in the lower section of the Dining Room. The upper section of the Room may be occupied by other guests but they will not be passing through your party.

There is a Room Hire charge for the Dining Room for Friday evenings and Sunday lunches only. No charge is normally made for other sessions, although we reserve the right to do so for busy periods or occasions such as Christmas, Easter or Valentine's Day. You will be notified on booking if a Room Hire Charge will apply.

The Room Hire charge starts at £60 for any party below 16 guests and will be waived if your Semi Private party is 16 adults. If your party is above 16 guests you will need to book the whole area, the Room Hire starts at £60 and will normally be calculated at £10 per unsold seat up to 28 guests. The charge will be waived if you have 28 guests or more.

### *For example*

If you book a party of 20 for Private Dining in the Dining Room on Friday or Sunday lunch, you will be charged £60 plus £10 x 8 for the other possible seats - £140.00.

A Semi Private party of 14 in the lower section of the Restaurant would be charged £60 room hire on one of those days, but a party of 16 would not be charged.
