## Magpie Estate

Magpie Estate wines are from the Barossa Valley in Australia and is co-owned by our wine supplier Noel Young, who is also heavily involved in the making and blending of the wines, and his partner in Australia Rolf Binder. Noel and Rolf both love the wines from the Rhone valley in France, and the traditional varieties of the Rhone Valley –Syrah (Shiraz), Grenache, Mouvedre are the mainstays of the range. The aim is to make wines that reflect a sense of place, full flavoured wines with real depth, but not massive, dark, oaky wines- drinkability is the key here, and they are very food friendly styles too. The wines get great press around the world and have attracted a true ‘cult’ following.

The wines are handmade with a lot of love and have slightly irreverent labels. The idea is definitely to have some fun, making them, labelling them and ultimately drinking them!

We at the Plough have sold the wines for many years and they prove very popular with all of us and our customers! We thought it would be fun, and a good way to feature the range of Magpie Estate wines to have a separate page showcasing these.

| <b>110</b> | <b>‘The Malcolm’ Shiraz 2009</b>  | <b>£110.00</b> |
|            | Single vineyard Shiraz, made very rarely and the pinnacle of Magpie Estate Shiraz. Single vineyard, grapes are picked late and aged in new American oak, after a year it goes into new French oak. This is a big yet beautifully balanced Shiraz. Powerful, dark fruits, spice, plain chocolate and toasty oak. Best decanted and best with high quality beef! 15%  |                |
| <b>111</b> | <b>Magpie Estate ‘The Tight Cluster’ Sparkling Shiraz 2008</b>  | <b>£42.00</b>  |
|            | Our first ever sparkling Shiraz and it has been getting great reviews. We held back barrels of premium Shiraz for 3 years before the wine underwent a secondary fermentation in bottle for months. Decanted and we added a small amount of fortified Shiraz (port) to finish the wine off. Lots of ripe black berry fruits with spice, it’s just off-dry and great fun. If you have never tried a sparkling red you should. Great with Asian spiced pork, duck, marinated red meats, or just a delicious glass of fizz with a difference. 13.5% |                |
